

(Warren, OH) U.S. Congressman Tim Ryan (OH-17) will join Youngstown Mayor Jay Williams in the announcement of that city's partnership with ShotSpotter on Friday. Congressman Ryan will be presenting Mayor Williams and the Youngstown Police Department with a \$530,000 check for the installation of ShotSpotter Wireless Gunshot Location System technology that will track, target, and deter gun crime over a two-mile area in the city. Mayor Williams and Chief Hughes will hold a press conference regarding the technology immediately following the check presentation.

Funding for the ShotSpotter project was made available through a federal earmark secured by Congressman Ryan via the Bureau of Justice Assistance.
